Ms. Ava Fanucchi  
Deputy Chief  
Sunnyvale Department of Public Safety  
505 W. Olive Avenue, Suite 150  
Sunnyvale, California 94086-7651

Dear Ms. Fanucchi:

From August through December 2018, CalEPA and the state program agencies conducted a performance evaluation of the Sunnyvale Department of Public Safety Certified Unified Program Agency (CUPA). The evaluation comprised of an assessment of administrative documentation, regulated facility file documentation, California Environmental Reporting System data, and oversight inspections.

Upon completion of the evaluation, CalEPA issued a final report identifying program deficiencies and providing corrective actions with timeframes for correction. The report also noted program observations, recommendations, and examples of outstanding implementation.

CalEPA has received and reviewed the Evaluation Progress Reports submitted by the CUPA documenting the progress towards the correction of the program deficiencies and resolution of the incidental findings identified in the final report. CalEPA considers all deficiencies corrected or closed and incidental findings resolved. Sunnyvale Department of Public Safety's implementation of the Unified Program has improved from "*satisfactory*" to "*meets*" Unified Program standards.

I congratulate you and your team for improving your Unified Program performance rating. Thank you for your continued commitment to the protection of public health and the environment through effective implementation of the Unified Program.

If you have any questions or comments, please contact John Paine, Unified Program Manager, at (916) 327-5092.

Sincerely,

Jason Boetzer  
Assistant Secretary  
Local Program Coordination and Emergency Response

Enclosure
