Dear Mr. Whittle:

During September 2023 through May 2024, CalEPA and the Unified Program state agencies conducted a performance evaluation of the Shasta County Department of Resource Management Certified Unified Program Agency (CUPA). The evaluation comprised of an assessment of administrative documentation, regulated facility file documentation, California Environmental Reporting System information, and oversight inspections.

Upon completion of the evaluation, CalEPA issued a Final Summary of Findings Report that included an incidental finding with a corresponding resolution. CalEPA has received and reviewed the required Evaluation Progress Report submitted by the CUPA documenting the progress towards the resolution of the incidental finding identified in the Final Summary of Findings Report. All identified incidental findings are considered resolved.

The CUPA's implementation of the Unified Program continues to meet and exceed Unified Program standards.

Thank you for your continued commitment to the protection of public health and the environment through effective implementation of the Unified Program.

If you have any questions or comments, please contact John Paine, Unified Program Manager, at (916) 327-5092.

Sincerely,

Jason Boetzer, REHS
Deputy Secretary
Local Program Coordination and Emergency Response
